NOTICE: YOU NEED NOT OPPOSE THE DEATH PENALTY TO SIGN THIS PETITION. Signing this petition simply means that you believe there are problems with the legal system as it presently exists, and that we should have a "TIME-OUT ON EXECUTIONS" until we can be absolutely sure that the death penalty system in Florida and in the United States is fair and accurate in its application. Any Florida resident may sign this petition. Please make copies, ask everyone you know to sign, and return to the address above as soon as the petition is complete. Any person not wishing to receive further information should sign only their name and city. Signers wishing to receive further information should include their full address. Either way, PLEASE WRITE CLEARLY. Thank You!
